Located in the prestigious Thurlow Avenue and overlooking the marina with a beautiful view of the harbour this unit is a must for the discerning buyer to inspect. The property has been in the one family for 25 years and has just had a complete overhaul. Freshly painted, new carpet, bathrooms modernised, and new light fittings are just some of the features. This unit is spacious and full of natural light, it is positioned to capture the refreshing breezes in summer and has a closed in sunroom to keep warm during winter. This top floor apartment has one of the largest kitchens I have seen in a unit. The owner's instructions are clear, this unit will be sold. Make an offer today.
