Property

Rarely do units in this building come on the market for sale. Located across the road to Nelson Bay Marina and a short walk to all facilities, it has been a popular holiday destination, but is also an ideal live in unit. Featuring three bedrooms, huge main with walk in and ensuite, spacious lounge and dining area, and modern kitchen adjacent to north facing balcony with views of the bay. Lift, pool and security parking top off a great opportunity. Owner motivated to sell!.
